Hi, just want to say that I think this is very good. Not “ugh” at all. I’ve looked it over and haven’t read it word for word yet, but overall I can tell I won’t have major comments, just little edits. If you get feedback from IOAA specials and others in NCEA, don’t wait for me.

No worries.

Not bad at all, given time constraints.

We are going to have to balance time vs. thoroughness of answer.

Think this is good.

Edits attached.

VINCE will need to weigh in on an item or two.

Hi all,

Ugh.... This was harder than I thought. Here’s a first draft. Chop away.
